

Dear Community Members,

I hope you are doing well. As we continue working to strengthen community engagement. We want to personally invite you to explore a partnership with Richmond Community Mediators (RCM) and the Get Lit Initiative - beginning with our upcoming Juneteenth Celebration in Greater Fulton!

Date: Thursday June 19, 2025

Location: Fulton Community

Time: 10:00 AM - 6:00 PM

This event honors freedom and heritage, featuring a Freedom Walk, music, dance, Southern soul cuisine, interactive cultural exhibits, and youth engagement activities through the Get Lit Initiative. Beyond the celebration, it's a space for organizations and businesses to connect, share resources, and uplift the community.

We're looking for community partners, entertainer, and vendors to join us:
Hosting a vendor booth to showcase products, services, or community resources.
Leading an activity or engagement session that promotes education, wellness, or advocacy.
Providing sponsorship or in-kind support to enhance accessibility and programming.
Collaborating beyond this event to build lasting initiative for positive impact.
Joining the conversation to explore long-term collaboration beyond this event.

I've attached the event overview and vendor registration details for your reference. If you are interested, lets connect and explore how we can make this an impactful experience together.

Looking forward to collaborating with you!

Best Regards,

Charles Young
